## Limited Warranty Terms and Conditions

EnerGreen Technologies Ltd. (EnerGreen) warrants that our products are free from defects in materials and workmanship (please refer to chart for each specific product type and length of warranty). Defective ballasts/drivers, lamps and fixtures within the warranty period will be repaired or replaced at no cost provided the fixtures were installed by a qualified, licensed electrician and operated in accordance with manufacturer's recommendations.

EnerGreen is not responsible for shipping and installation costs. The warranty is non-transferrable and applies only to the original purchaser.

EnerGreen reserves the right to examine defective lighting equipment and reserves the right to determine if fixtures qualify for coverage under this warranty.

EnerGreen will not be liable for:

- Accidental damage, abuse, misuse, mishandling, negligence, fire or water damage, theft, vandalism, riot, explosion, natural disaster or other external causes unrelated to product performance
- Equipment where EnerGreen has not received full payment
- Faulty installation, misapplication, extreme environmental conditions beyond product specifications, under/over voltage situations, non-compliance with operating instructions, improper or inadequate maintenance, negligence, accident or tampering
- Products not manufactured by EnerGreen such as controls, sensors lenses, plugs and electrical cords
- Costs for shipping and installation

Goods received must be inspected by client for damages due to shipping prior to acceptance. Acceptance constitutes receipt of product in good order; warranty does not apply to goods damaged after receipt.

<u>LED Product</u>	<u>Warranty Period</u>
